CERTIFICATIONS

PMP · SAFe Product Owner / Product Manager (POPM) · SAFe Agile Software Engineer (ASE) · AI-Empowered SAFe Scrum Master · CompTIA A+ · DAU Systems Engineering and Acquisitions

EXPERIENCE

Test Lead / Product Owner — NIWC Atlantic (via Engineering Services Network, Inc.)

Norfolk, VA · Mar 2026 – Present

- Lead testing for 14 Naval maintenance applications, verifying that systems supporting fleet maintenance and readiness perform as required before fielding.
- Process and validate 100+ releases a year for MFOM, keeping a high-tempo release pipeline moving without compromising quality.
- Brief program leadership on test status, defect trends, and risk, directly informing release go/no-go decisions.

Program Manager, Section 508 & Information Collection — U.S. Air Force, SAF/CN (Office of the CIO)

The Pentagon, Washington, DC · Dec 2024 – Mar 2026

- Drove Section 508 accessibility testing for 200+ Air Force applications, bringing them to 90%+ compliance and ensuring equal access for Airmen, civilians, and the public.
- Vetted the HQ Air Force application suite for information collection compliance, processing hundreds of requests a month, and helped update Air Force regulations governing both Section 508 and information collection.
- Helped manage 200+ compliance personnel across CONUS and OCONUS, and delivered briefings and on-demand training to product owners and project managers.

Product Owner — NATO ACT Innovation Hub

Norfolk, VA · Jan 2024 – Sep 2024

- Secured funding through business cases worth €200M, delivering 15% operational savings across Alliance initiatives.
- Transitioned MVPs into fielded operational capabilities, strengthening NATO readiness.
- Produced project plans, metrics, and analytics for flag-level briefings while maintaining full OPSEC compliance.

Program Manager — HCL Technologies

New York, NY · Oct 2021 – Dec 2023

- Led global cross-functional teams of engineers and analysts on \$10M–\$20M projects, delivering Business Process Optimization tools to Fortune 500 and Fortune 50 organizations.
- Sustained a 92% client satisfaction rate by delivering process flows, dashboards, and tools spanning the C-suite down to operations.
- Implemented Agile practices that cut delivery time by 30% while consistently meeting scope and budget targets.

IT Systems Analyst — City of Virginia Beach

Virginia Beach, VA · Oct 2020 – Oct 2021

- Directed disaster recovery operations for city systems, achieving a 95% readiness rate.
- Authored and implemented DR plans that increased recovery efficiency by 40%.
- Presented application deliverables to department leadership, aligning IT work with citywide service goals.

Senior Systems Analyst — Entrust Government Solutions*Norfolk, VA • Oct 2019 – Jul 2021*

- Led requirements elicitation that earned a 90% project acceptance rate.
- Developed systems engineering documentation, including SOPs and disaster recovery plans.
- Briefed senior management on project status and strategy to guide investment decisions.

Business Analyst II — CACI International*Norfolk, VA • Jan 2018 – Oct 2019*

- Streamlined system processes for a U.S. Navy client, improving operational efficiency.
- Managed Scrum and Kanban boards in JIRA, giving leadership real-time delivery visibility.
- Conducted stakeholder interviews to capture requirements that shaped system design.

Business Analyst — Anthem*Indianapolis, IN • Jun 2014 – Jan 2018*

- Generated \$500K in budget savings by streamlining communications processes.
- Improved backlog management efficiency by 30% using JIRA.
- Partnered with vendors to reduce customer service issues for a Fortune 500 health insurer.

Senior Consultant — Booz Allen Hamilton*Norfolk, VA • Jun 2010 – Jan 2012*

- Reduced reporting delays by 75% on NATO projects.
- Migrated 600+ global users to a new platform with minimal disruption.
- Delivered handover documentation and training that enabled NATO clients to sustain systems independently.

MILITARY SERVICE

Personnel Specialist (3F0) — U.S. Air Force Reserve*Dover AFB, DE • Dec 2013 – Jan 2025*

- Managed HR systems for 750+ personnel, keeping the unit administratively ready to deploy.
- Increased re-enlistment rates by 15% through targeted career advising.
- Optimized administrative processes to reduce personnel-action turnaround.

Communications Specialist (25U) — U.S. Army National Guard*Hampton, VA • Sep 2007 – Sep 2013*

- Installed and maintained radio distribution systems, sustaining mission-critical communications.
- Developed training for deploying communication systems in austere environments.
- Supported field operations where reliable communications were essential to mission success.
